ABOUT THE COLLEGE

The foundation stone of this historic institute was laid way back in 1921. This college has a proud heritage of excellence and innovation. This prestigious institute is blessed as it stands in the name of the **Sixth Guru, Guru Har Gobind Sahib Ji**, who donned the swords of Miri-Piri that symbolize spiritual and temporal authority. The story of its growth from a small institution in the pre-independence India to a well-established

“Seat of Learning” of the present times is a saga of dedication, conviction and vision of Late Nihang Shamsher Singh who worked against all odds and saw it growing step by step. A Gurmukhi Pathshala was established at this pious place in 1921 by Late Nihang Shamsher

Singh which he preferred to call a college. The Pathshala flourished into a High School by the year 1928 and with his untiring efforts an intermediate college was started in 1948 which became a degree college later on.

It was in the year 1955 that the present G.H.G Khalsa College of Education came into being and the noble task of training the “Nation Builders” was started with the establishment of B.T with a sanctioned strength of 100 seats. The College attained the stature of post-graduate institution with the inclusion of M.Ed. in 1982.

At present, the college has a sanctioned strength of 100 seats of B.Ed. and 50 for M.Ed. course. The college has contributed a lot to this area by producing thousands of professionally qualified male and female teachers. The college motto **“Man Neevan, Mat Uchi”** clearly reflects its goals and mission. The main aim of the college is to produce well-informed, skilled and effective teachers for secondary schools and Colleges of Education. Besides **producing teachers for Secondary Schools, and lecturers for Colleges of Education**, we are also producing **“Principals for Colleges of Education”**. It is interesting to note that more than 15 Colleges of Education in Punjab have Principals from this college. This college is also known as **“NURSERY OF PRINCIPALS”**.

Dear students my heartfelt wishes to you. We are proud to see you complete this part of your journey with great achievement and beautiful lifelong memories. Your dreams coupled with your desire to excel will take you to the heights of success you aim for. Our best wishes for your success growth and development in life.

I would like to extend a heartfelt thanks to our distinguished guests for joining us in celebrating the glory of our achievements. I would be failing in my duty without thanking all the honourable members of the Governing body of G.H.G. Khalsa College of Education for their ample guidance, the worthy members of media and press for their unconditional and thorough support by providing us with the wide coverage. Finally, I thank Almighty for all His blessings to our institution.
