A CHRONICLE OF COMMITMENT AND EXCELLENCE:

ANNUAL INSTITUTIONAL REPORT 2025–26

With immense pride and a deep sense of responsibility, I present the Annual Report of G.H.G. Khalsa College of Education, Gurusar Sadhar, for the academic session 2025–26. This document reflects a year enriched with academic accomplishments, forward-looking initiatives, and meaningful learning engagements that collectively reaffirm our steadfast commitment to excellence in teacher education.

The progress we celebrate is the result of a shared vision and cohesive effort. Under the able leadership of the Governing Council, guided by S. Manjit Singh Gill, supported by a committed and research-oriented faculty, and driven by a disciplined and aspirational student community, the institution continues to scale new heights. We remain steadfast in our belief that education must transcend conventional boundaries to become holistic, value-oriented, and aligned with the evolving needs of society. Our endeavour is not merely to impart knowledge but to nurture educators who are competent, ethical, and globally conscious, ready to meet the demands of the 21st century.

TRACING OUR ROOTS: THE JOURNEY OF INSTITUTIONAL EVOLUTION

“Excellence is never an accident; it is always the result of sustained effort and vision.”

Heritage and Institutional Foundations

G.H.G. Khalsa College of Education stands as a living embodiment of the enduring legacy of Guru Hargobind Sahib Ji, whose principles of spiritual strength and temporal responsibility continue to inspire generations. The institution’s origin dates back to 1921, when Nihang Shamsher Singh Ji envisioned a centre of learning at Gurusar Sadhar, initiating a humble Gurmukhi Pathshala. Through unwavering dedication and progressive expansion, this initiative evolved into a high school by 1928, an intermediate college in 1948, and ultimately a comprehensive degree institution.

A defining moment in this journey was the establishment of the College of Education in 1955, marking the commencement of structured teacher training through the B.T. (now B.Ed.) programme. The academic scope further broadened in 1982 with the introduction of the M.Ed. programme, reinforcing the institution’s commitment to advanced professional education. Currently, the college offers 100 seats in B.Ed. and 50 seats in M.Ed., operating under the permanent affiliation of Panjab University, Chandigarh, and recognized by the National Council for Teacher Education (NCTE).

The institution has consistently upheld high standards of quality, as reflected in its NAAC accreditation with Grade ‘A’ in two consecutive cycles (CGPA 3.04 and 3.30), followed by an A+ grade in the third cycle with a CGPA of 3.31. Its recognition as a Mentor Institution under the UGC PARAMARSH Scheme further highlights its pivotal role in fostering quality enhancement and academic mentorship among peer institutions.

ACADEMIC ETHOS AND LEADERSHIP LEGACY

Over the years, the college has earned distinction as a centre of excellence in teacher education, widely acknowledged for nurturing academic leadership. Often regarded as a “Nursery of Principals,” it has contributed more than 15 principals to Colleges of Education across Punjab, reflecting its significant impact on shaping educational leadership.

The academic culture of the institution is marked by rigour, innovation, and an unwavering commitment to excellence. The consistently outstanding results in Panjab University examinations, with pass percentages nearing 100% in both B.Ed. and M.Ed. programmes, stand as a testament to this ethos. However, the institution’s vision extends beyond academic success. It is deeply invested in cultivating reflective practitioners, critical thinkers, and socially responsible educators who can meaningfully contribute to the educational landscape.

By harmonising academic excellence with ethical values and professional competence, G.H.G. Khalsa College of Education continues to prepare educators who are not only knowledgeable but also resilient, visionary, and future-ready.
