To whom it may concern

This is to certify that GHG Khalsa College of Education, Gurur Sar Sadhar (Mentor College) organized various offline and online programs under UGC-Paramarsh Scheme for our college (Shree Atam Vallabh Jain College, Ludhiana). The Mentor College team oriented our faculty for NAAC preparation throughout the mentoring program. Orientation sessions on 7 criteria were organized for understanding the nuances of the NAAC parameters. The Mentor college provided continuous support and motivation for NAAC preparation in this Covid pandemic too. During the preparation of our SSR, our various queries were resolved by the mentor college through face-to-face meetings, online discussion sessions through zoom, telephonic and WhatsApp conversation. As per our needs faculty development programs were organized through online mode (ZOOM) by the mentor college. Interaction with NAAC representative, NAAC assessors, experienced principals and subject expert were also organized through online mode. Various workshops and faculty development programs under UGC-Paramarsh were organized in collaboration with our college for capacity building of our faculty on different criteria of NAAC. Our college has completed the last round of discussions on Self Study Report. Records are compiled as per suggestion of our mentor college for uploading on NAAC portal. We have already registered on NAAC portal on 21st September 2021. We are going to complete the IIQA process by the end of October 2021. We are really thankful to the mentor college and University Grant Commission for Paramarsh scheme. In this program, overall quality of the mentee institution is improved and it will enable us to get accredited soon from NAAC.

We will be looking forward this mentorship program for future too.
