The event, held in the college auditorium, was organized under the guidance of Dr. Jasvir Kaur, the in-charge of the club, and witnessed active participation from students and faculty members alike.

Dr. Jasvir Kaur opened the event with an engaging address, orienting the students about the significance of Constitution Day. She emphasized the foundational principles of justice, equality, liberty, and fraternity enshrined in the Constitution. Highlighting the vision of the framers of the Indian Constitution, she further reminded the attendees of their dual roles as citizens—to exercise their fundamental rights responsibly and to fulfill their duties diligently. "The Constitution is not just a legal document; it is a living testament of our nation's democratic spirit. As citizens, we are expected to uphold its values, promote harmony, and contribute to nation-building," she said.

She also spoke about the balance between rights and duties, encouraging the students to reflect on their responsibilities towards society. She called upon the current duties which every citizen must discharge like conserving water and respecting public property, and contrasted them with cases of negligence, urging everyone to choose the former path.

The highlight of the event was the oath-taking ceremony led by Rajini, a student of B.Ed. Semester 1.
