Morning Assembly group J and L

GHG Khalsa College of Education organized the Morning Assembly on April 02, 2026 (Thursday) at 09:30 a.m. The assembly was conducted by Mentor Groups J & L under the guidance of Ms. Ramandeep Kaur and Mr. Hardeep Singh.

The program was efficiently anchored by Simranpreet Kaur, who ensured the smooth conduct of the assembly.

The assembly commenced with the *Thought of the Day* presented by Hardeep Singh, which set a positive tone. This was followed by the news reading by Sukhwinder Kaur, keeping everyone informed about current events.

Karmveer Singh delivered an insightful speech on the occasion of World Health Day, emphasizing the importance of health and well-being. Jashandeep Kaur recited a meaningful Punjabi poem titled “ਖੇਡ ਸ਼ਬਦਾਂ ਦੀ”, which was appreciated by the audience.

Sukhpreet Kaur presented a speech on poetry, highlighting its significance in expressing emotions and creativity. Arshpreet Kaur recited a touching Punjabi poem titled “ਮਾਂ ਦਾ ਸੁਫਨਾ”, which deeply moved the audience.

On this occasion, Ms. Ramandeep Kaur addressed the gathering in her role as a mentor. She delivered a motivational message, encouraging students to put in sincere efforts in life, embrace new beginnings, and carve their own paths through struggle and perseverance. She also recited a Punjabi poem, which added inspiration to her address.

All B.Ed., M.Ed., and PGDGC students, along with staff members, attended the assembly in proper uniform as instructed. The assembly concluded on a positive and inspiring note.

Visit for its B.Ed. and M.Ed. pupil teachers to Nirdosh School for Mentally Challenged Student

On April 23, 2026, GHG Khalsa College of Education organized an experiential learning visit for its B.Ed. and M.Ed. pupil teachers to Nirdosh School for Mentally Challenged Students as an integral component of their teacher education curriculum in Inclusive Education. Accompanied and guided by faculty members Dr. Manu Chadha, Dr. Rachhpal Singh, and Dr. Ramandeep Sidhu, the student teachers observed specialized classroom settings, vocational activities, and adaptive teaching methodologies tailored for neurodivergent learners. The pupil teachers interacted directly with the school's staff to understand Individualized Education Plans (IEPs) and engaged the students in joyful, supportive activities. This practical exposure successfully bridged theoretical coursework with real-world special education practices, fostering deep empathy and equipping future educators to effectively support diverse learning needs in inclusive classrooms.
